

Friday 3rd February 2017

The RSPB have been into school this week to work with Y1 and Y2. They looked at the different habitats of animals and birds in the school grounds.

Booking forms for breakfast and after school clubs are available online to download and send in to the office by Friday of the week before the booking is required. Booking forms must be sent into school with the correct payment, either cash or cheque. We won't accept booking forms without payment.

Foundation stage children enjoyed a fun, educational visit from our local firefighters. Children enjoyed the demonstrations.

Ayton road is very busy at the beginning and end of the school day. We have again had reports of 'near misses', sightings of parents performing three point turns and children getting in and out of cars into the roadside and not onto the pavement.

Please try to walk to school to ease congestion and increase you and your child's fitness levels

School day begins at 8.55am prompt. Gates open at 8.45am, ensure your child arrives on time.

Attendance so far this year 96.7%

Highest attendance this week 2JW with 99.6% well done!
