Holley Park Tall Ships Mural Competition

The Tall Ships Festival is coming to Sunderland in July 2018 and we are very excited to launch an exciting art project to celebrate this amazing festival.

Every child in school is invited to take part and the overall winners will help create their design in the playground for all to see. Winners from each class will also help to paint the mural in the summer term.

The Competition:

You will create a design that could be used for a mural on A4 size paper. The design must include the Tall Ships and a landmark from the local area, for example: the new bridge, Penshaw Monument or the lighthouse at Roker. You can of course choose any landmark you like.

Your design must be bright and colourful and not too complicated so that it can easily be transferred to the outside space.

Let your imagination flow and get creating! We can't wait to see your designs.

Please return your design with your name clearly on the back to your class teacher by:
